

Edison Kaulfuss

With six years of experience as a developer, I honed my skills while working independently during a period of recovery from a disability. I proactively pursued further education to enhance and modernize my skill set. Now prepared and eager to tackle the challenges of a professional software developer role once again.

Personal Information

Date of birth: April 08 1984 **Address:** Raleigh 27617, United States
Phone number: (919) 810-1962 **Email address:** eddie.kaulfuss@gmail.com
